TSP-75, INFORMATION AND INSTRUCTIONS FOR PAGE 1

Use this form to request a one-time-only age-based in-service withdrawal of all or a portion of your vested account balance. You must be a TSP participant age 59½ or older, and currently employed by the Federal Government or an active member of the uniformed services to request an age-based withdrawal.

Before completing this form, read the TSP booklet *In-Service Withdrawals* and the TSP tax notice "Important Tax Information About Payments From Your TSP Account." If you do not have these materials, you can download them from the TSP website (tsp.gov), or ask your agency or service for a copy. You can also request them by calling the ThriftLine.

Note: You should not complete this form if you have previously made an age-based in-service withdrawal. Only one age-based in-service withdrawal is allowed.

There are two ways to request an age-based in-service withdrawal:

1. Complete Form TSP-75 and mail or fax it to the TSP.

Note: If the TSP receives information from your agency or service indicating that you separated before your in-service withdrawal request is completed, your request for an in-service withdrawal will be cancelled; you will then be eligible for a post-employment withdrawal.

or

2. Use the TSP website (tsp.gov) to begin your in-service withdrawal request. For security reasons, if your request cannot be completed on the Web, you will be asked to print out your partially completed form at the end of your online session. Review the form, complete any missing information, and provide any required signatures and documentation before you mail or fax it to the TSP. **Do not change or cross out any of the prefilled information** resulting from your entries on the Web; the form may not be accepted for processing if you do so.

Note: Access to this type of withdrawal is not available to you on the website unless you are age 59½ or older, and you are currently employed by the Federal Government or are an active member of the uniformed services.

If you are not married and you do not want to transfer any part of your in-service withdrawal to a traditional IRA, an eligible employer plan, or a Roth IRA, you only have to complete Page 1 of this form. Sign the form, have it notarized, and submit it to the TSP at the address indicated on the last page of this form.

Any check made payable to you will be mailed to the address in your TSP account record. If the address in your TSP account record is not correct, contact your agency employing office or service TSP representative immediately. Only your agency or service can change your TSP address while you are still employed by the Federal Government or you are an active member of the uniformed services.

SECTION I. Complete Items 1–5. Check whether you are withdrawing money from a civilian or uniformed services account in Item 1. **Check only one box.** You cannot withdraw from both accounts using one form. Also, be sure to only check the box for the account representing the employment for which you are currently active. If you have two TSP accounts, and you do not check a box, your form will not be processed.

Your TSP account number is the 13-digit number that was issued to you.

SECTION II. You may withdraw a specified amount of \$1,000 or more, or your entire vested account balance. Use a whole dollar amount only. **Note:** Your withdrawal will be disbursed pro rata (i.e., proportionally) from any traditional (non-Roth) and Roth balances in your account. If you request a specific dollar amount and it is more than your account balance, you will receive your entire account as long as it is at least \$1,000. If your vested account balance is less than \$1,000, you must request your entire vested account balance.

SECTION III. Check the box in this section if you want all or a part of the withdrawal amount you elected in Section II to be transferred to an IRA or eligible employer plan.

If you want to transfer all or a part of the vested, traditional (non-Roth) portion of your account balance, you and the IRA trustee or plan administrator must complete Page 3. **You** must include the completed page with your withdrawal request package. If you want to transfer all or any part of the Roth portion of your account balance, you and the IRA trustee or plan administrator must complete Page 4. **You** must include the completed page with your withdrawal request package. If you want to transfer both the traditional and Roth portions of your account balance, you and the IRA trustee or plan administrator must complete Pages 3 and 4. **You** must include the completed applicable pages with your withdrawal request package.

SECTION IV. This section is optional. Complete this section only if you want the TSP to send your in-service withdrawal directly to your checking or savings account by means of a direct deposit (electronic funds transfer (EFT)). Provide all of the requested information in this section. If you do not know the 9-digit ACH Routing Number or your checking or savings account number, contact your financial institution for this information. EFTs will be made only to financial institutions in the United States. **Note:** Only the portion of your withdrawal that is **not** being transferred to a traditional IRA, eligible employer plan, or Roth IRA can be paid by EFT.

If the TSP determines that the EFT information you provided is incomplete or invalid, your request will be processed, but you will receive your payment in the form of a check mailed to your address of record.

SECTION V. This section is optional. Complete this section if you want the TSP to withhold **additional** Federal income tax from your withdrawal. If you do not complete this section, you will still be subject to the **mandatory 20% Federal income tax withholding** on the **taxable** portion of payments that you do not transfer directly to a traditional IRA, eligible employer plan, or Roth IRA. The mandatory withholding tax cannot be waived. If you are a uniformed services participant with a tax-exempt balance, the tax-exempt portion of your withdrawal will not be subject to the mandatory 20% withholding tax. Roth contributions and qualified Roth earnings are also not subject to mandatory tax withholding.

If you complete this section requesting additional tax withholding, you should not complete IRS Form W-4P. Read the TSP tax notice, "Important Tax Information About Payments From Your TSP Account" for detailed tax rules.

SECTION VI. Read the certification carefully and sign and date the form. Your signature must be notarized; otherwise, your request cannot be processed. Because the form will be filed with a Federal agency in Washington, D.C., the notary must complete the notarization in Item 16. No other acknowledgement is acceptable.

Your spouse gives consent to an age-based in-service withdrawal from your TSP account by completing, signing, and dating Items 17 – 19. Your spouse's signature must be notarized (Item 20). The TSP cannot process your withdrawal unless you have an exception on file or if you apply for—and receive—an exception to the spouses' rights requirements. Exceptions are granted in **rare** circumstances. SECTION VIII — Married CSRS participants. By law, the TSP must notify your spouse of your age-based in-service withdrawal. Provide your spouse's name in Item 22. If your spouse's address is the same as your address in your TSP record, check "Yes" in Item 23. Otherwise, check "No" in Item 23 and complete Items 24–28. If you do not know your spouse's whereabouts, check the third box in Item 23, and provide your spouse's Social Security number. The TSP cannot process your withdrawal unless you have an exception on file or if you apply for—and receive—an exception to the spouses' rights requirements. Exceptions are granted in **rare** circumstances. If you wish to apply for an exception, you can do so by submitting Form TSP-16, Exception to Spousal Requirements, along with this form.

If your spouse has a foreign address, check the box in Item 24 and enter the foreign address in Items 25–28 as follows:

Second address line: Enter the city or town name, other principal subdivision (e.g., province, state, county), and postal code, if known. (The postal code may precede the city or town.)

City/State/Zip Code fields: Enter the entire country name in the City field; leave the State and Zip Code fields blank.

If your spouse uses an **Air/Army Post Office (APO) or Fleet Post Office (FPO)** address, enter that address in the two available address lines (include the unit designation). Enter APO or FPO, as appropriate, in the City field. In the State field, enter AE as the state abbreviation for Zip Codes beginning with 090-098, AA for Zip Codes beginning with 340, and AP for Zip Codes beginning with 962-966. Then enter the appropriate Zip Code.

TSP-75, INFORMATION AND INSTRUCTIONS FOR PAGE 3

You may elect to transfer all or part of your age-based in-service withdrawal to a traditional IRA, an eligible employer plan, or a Roth IRA. The type of plan to which you can transfer your withdrawal depends on whether your withdrawal consists of a traditional (non-Roth) balance, a Roth balance, or both.

If you would like to transfer all or any part of the **traditional (non-Roth)** portion of your withdrawal to an IRA or eligible employer plan, complete Page 3.

If you would like to transfer all or any part of the **Roth** portion of your withdrawal to a Roth IRA or eligible employer plan, complete Page 4.

If you would like to transfer all or any part of **both** the traditional and Roth portions of your withdrawal to **separate plans** or to the **same plan**, you must complete Page 3 **and** Page 4.

SECTION IX. You may transfer all or any part of the **traditional (non-Roth)** portion of your withdrawal to a traditional IRA, eligible employer plan, or Roth IRA. Enter a percentage between 1 and 100% in Item 29. Do not enter decimals or a percentage over 100%. If you decide to transfer to a Roth IRA, be aware that Roth IRAs accept only after-tax dollars. As a result, you must pay tax on the amount you transfer, and the tax liability is incurred for the year of the transfer. We strongly encourage you to consult with a tax advisor regarding your eligibility for, and the tax consequences of, making the transfer.

Payments that are not transferred directly to a traditional IRA, eligible employer plan, or Roth IRA are subject to **mandatory 20% Federal income tax withholding**. (See Section V.) Read the TSP tax notice "Important Tax Information About Payments From Your TSP Account" for detailed tax rules.

SECTION X. If you choose to transfer all or any part of the **traditional (non-Roth)** portion of your withdrawal to a traditional IRA, eligible employer plan, or Roth IRA, **your financial institution or plan administrator must complete this section before you submit this form to the TSP.**

Do not submit transfer forms of financial institutions or plans; the TSP cannot accept them.

The institution or plan to which the payment is to be transferred must be a trust established inside the United States (i.e., the 50 States and the District of Columbia).

The financial institution or plan should retain a **copy** of Page 3 to identify the account to which the check should be deposited when it is received. If the transfer is to a traditional IRA or Roth IRA, the institution accepting the transfer should submit Form 5498, IRA Contribution Information, to the IRS. The TSP will report all payments and transfers to you and to the IRS on Form 1099-R, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc.

Information for the IRA or Plan: Complete Section X and return this form to the participant identified at the top of the page. The financial institution or plan administrator must ensure that the account described here is a traditional IRA, eligible employer plan, or Roth IRA.

Type of Account and Account Number. Indicate whether the transfer is to a traditional IRA, eligible employer plan, or Roth IRA in Item 30. In Item 31, enter the account number, if available, of the IRA or plan to which the money is to be transferred. If an account number is not available, provide information that will help you identify the check when it is sent to you.

Transfer of Tax-Exempt Balances. A uniformed services participant may have contributed tax-exempt money from pay earned in a combat zone to his or her traditional balance. Check the box in Item 32 if tax-exempt balances are accepted into the account identified in Item 30. If the participant's traditional balance includes tax-exempt contributions, the taxable portion of the withdrawal from the traditional balance will be transferred first. Tax-exempt money will be transferred **only if** the taxable portion of the withdrawal does not satisfy the participant's transfer election **and** the plan or IRA accepts tax-exempt balances. If the plan or IRA does not accept tax-exempt balances, that portion of the payment will be paid directly to the participant.

Name and Mailing Address. Provide the name and mailing address information in the boxes provided exactly as you want it to appear on the front of the transfer check. You will need to identify the account to which the transfer should be deposited from the information contained in these boxes.
